University of Central Lancashire (UCLan) Highlights

ONCAMPUS is proud to work in partnership with the University of Central Lancashire (UCLan) to offer high-quality university preparation programmes for international students on the University campus. UCLan has a wide range of scholarships available to students who can demonstrate academic and personal excellence.

Preston is less than one hour from Liverpool and just over two hours from London by train.

1828 UCLan has a long academic history which can be traced back to 1828.

Our partners

Routes to medicine

Medicine is one of the most competitive courses in the UK. Academic entry criteria are high and the interview process can be challenging but, every year, thousands of international students are accepted into medical school. **ONCAMPUS UK North** offers a number of routes to medicine through our host partner UCLan, RCSI University of Medicine and Health Sciences in Ireland, St. George's University (SGU) School of Medicine in Grenada and the University of Nicosia (UNIC) in Cyprus.

Timelines for submission of medicine application documents vary according to individual institutions, and the table below should be used as a guide for the MUF. **ONCAMPUS UK North** will support all students with their applications to medicine.

Preparing for a medicine degree

Do you have:

- 11-12 years of schooling including Biology and Chemistry to year 12?
- an IELTS score of 6.0 or more?
- the motivation and commitment to succeed?
- the ambition to graduate from a top medical school?

TERM 1				TERM 2				TERM 3			
SEPT	OCT	NOV	DEC	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG

Start the Medicine UFP at **ONCAMPUS UK North**

UCLan: Submit your personal statement and transferable skills form

UCLan: Selection Panel will review your personal statement and transferable skills form

UCLan: If you are forecast to meet the entry requirements, you will be issued a conditional offer

UCLan: Take your exams. Exams are held in March

UCLan: English Test. You will take an English test to determine your current level of English

UCLan: MBBS Interview. If you have met the academic requirements, UCLan will interview you for the programme

UCLan: Take your exams. Exams are held in May. Results are declared in June

RCSI: Applications open

RCSI: All supporting documents must be supplied

RCSI: Applicants selected for interview

RCSI: Conditional or full offers are issued. Successful applicants have 21 days to accept their offer

SGU operates a rolling intake. It is recommended to book an individual consultation during this time to discuss the medical degree pathways on offer and application process. Students should start an application as early as possible for a smooth application journey.

SGU ONCAMPUS students will be guaranteed an interview upon submission of their application to SGU. Conditional offers will be issued within a week of the interview unless a further review is required. Students will be required to pay a deposit to secure their place.

UNIC operates a rolling application process. All applications should be received by mid June of the same year of entry. Applicants are invited to an online interview based on actual or predicted grades. Full or conditional offers are issued within two weeks from interview date.

Students joining the Medicine Undergraduate Foundation Programme in January will follow a different timeline.

Our medicine and healthcare partners

RCSI University of Medicine and Health Sciences, Ireland

Established in 1784, RCSI is not only the largest medical school in Ireland but also the only specialist health sciences university. RCSI offers alternative progression routes for Medicine Undergraduate Foundation Programme and Life Sciences Undergraduate Foundation Programme students onto Medicine, MPharm and Physiotherapy degrees.

RCSI

Progression degrees are:

- MB, BCh, BAO (Hons) Medicine (5* and 6 years)
- Master of Pharmacy (MPharm) (5 years)
- BSc Physiotherapy (4 years)
- BSc Advanced Therapeutic Technologies (4 years)

*Medicine Undergraduate Foundation Programme only

Ranked

1st

in the world for 'Good Health and Well-being'

Times Higher Education Impact Rankings 2023

€200 million

invested in world-class experiential learning facilities since 2017

Located in the heart of **Dublin city centre**, a dynamic European capital city steeped in history

One of the most international medical schools in the world with over **70%** of its undergraduate medicine seats reserved for non-EU students

Our medicine and healthcare partners

St. George's University, Grenada

Founded in 1976, St. George's University (SGU) has become a centre for academic excellence worldwide. With students and faculty drawn from more than 150 countries, SGU is truly an international institution, with a uniquely global perspective. SGU School of Medicine offers entry points for students from any education system around the world. This includes the 5- and 6-Year Medical Degree (MD) Pathways. Students can start the pathways from the ONCAMPUS Undergraduate Foundation Programme.

Progression MD pathways include:

- 5-Year Medical Degree (MD) Pathway
- 6-Year Medical Degree (MD) Pathway

Over 1,000
US residencies
in 2023

No other medical school
in the world provides
more new doctors to the
US healthcare system*

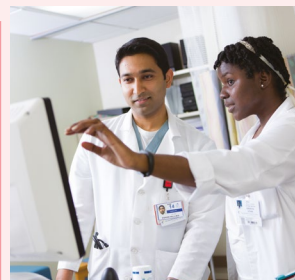

22,000 SGU School of
Medicine graduates in
the US and around the
world are part of a strong
alumni network. They have
practiced in every state in
the US and in more than
50 countries**

SGU has a large network
of **75+** affiliated hospitals
and health centres in the
US and UK**

** sgu.edu/hospitals

SGU's partnership with
Northumbria University
enables MD students to
complete **up to 2 years**
of the pathway in Newcastle
upon Tyne, UK

*As the medical school graduating the largest number of students per year, SGU places the largest number of graduates into residency programmes each year, based on internal SGU graduate/expected graduate and residency placement data as of June 2023.

***Based on the number of students who have completed the Doctor of Medicine (MD) programme from 1981-2023.

Our medicine and healthcare partners

University of Nicosia, Cyprus

The University of Nicosia (UNIC) espouses the holistic concept of One Health, which emphasises the relationship between the health of humans and animals within a healthy, sustainable environment. UNIC Health is dedicated to support the development of Medicine, Veterinary Medicine and Health Sciences of the University of Nicosia.

Progression degrees are:

- Doctor of Medicine (6 years)
- Doctor of Veterinary Medicine (5 years)

For **Veterinary Medicine**
students' exposure to
animal care starts **early in**
first year

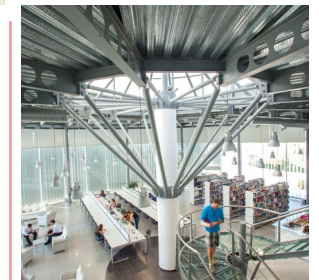

Clinical exposure for
medical students starts
as of **Year 2**. Clinical
training sites include
leading hospitals
in Cyprus, UK, USA,
Switzerland and
Greece

The Doctor of
Medicine and
Veterinary Medicine
degrees are recognised
worldwide. UNIC is
listed in the World
Directory of Medical
Schools and
in the UK GMC

99.9% of graduates
are at some of the best
medical centres in the
world for residency training,
internships and research
including John Radcliffe
in Oxford, King's College
London, Harvard Medical
School in Boston and Mount
Sinai in New York.

How ONCAMPUS Works

Our programmes at ONCAMPUS UK North are designed for international students who do not meet the requirements for direct entry to UK universities to study. You will benefit from the support we offer in preparing you to progress to the University.

Increase your English language level

- Academic writing skills
- Academic reading skills
- Presentation and discussion skills
- Listening and note taking

Improve academic grades and study skills

- Additional year of study equivalent to 13 years of UK study for undergraduate degree
- Demonstrate academic level to meet university requirements
- Present higher grades in pathway programme than achieved at high school for undergraduate entry
- Learn the study skills essential for success in UK universities

Expert university progression support

- Expert guidance on which degree to progress to
- One-to-one support sessions
- Faculty visits and meetings

Progress to university degree

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both inside and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

The ONCAMPUS UK North centre is located at the heart of UCLan, close to all the University's facilities.

You will receive a University student card, and with it you will have access to all the University's facilities, clubs and societies while you study your ONCAMPUS programme.

You will meet your course leader at the University before you start your degree, and have the opportunity to try out some of the excellent facilities.

Your route to a degree at University of Central Lancashire

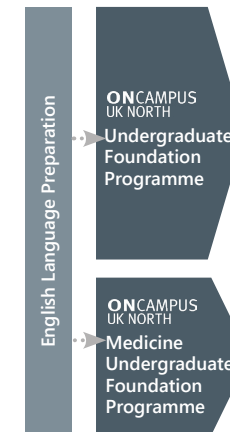

ONCAMPUS UK North offers guaranteed progression* to a wide range of undergraduate degrees at UCLan, on successful completion of our Foundation programmes. Students on the Medicine Undergraduate Foundation Programme and Life Sciences Undergraduate Foundation Programme have the opportunity to apply for Medicine at UCLan, and a variety of degrees, as listed, at RCSI University of Medicine and Health Sciences in Ireland, St. George's University in Grenada and the University of Nicosia in Cyprus. Students may also apply to other UK universities through the UCAS system.

*Subject to meeting the specified criteria.

IELTS 6.0
English language level

Entry criteria

English level: From **6.0 IELTS** or equivalent, in every component.

Academic requirements: **11-12 years** Successful completion of 11-12 years of schooling with good grades and Biology and Chemistry to year 12. Please see www.oncampus.global for academic entry requirements.

Guideline minimum age: **17+** Must be 17 at the start of the intended degree programme.

For a full list of progression degrees see pages 10-13

"I think **ONCAMPUS** has given me a huge advantage and I've settled in really quickly. We can access the university facilities such as the library and sports facilities and we have hands-on classes in the Biology laboratories too. The teachers are really friendly and happy to help with any questions. The course materials are so easy to follow and my classmates are motivated which has had a positive influence on me."

Ridita | Bangladeshi | Studying MUFP | Applying to study Medicine

Dates	Number of terms	Tuition fee	Progressing to undergraduate degree starting in
23 September 2024 - 08 June 2025	3	£26,760	September 2025
06 January 2025 - 08 August 2025	3	£26,760	September 2025

All programmes are subject to a £450 registration fee. An under-18 supplement applies to all students under the age of 18 at the start of their programme. For more details visit www.oncampus.global/about-us

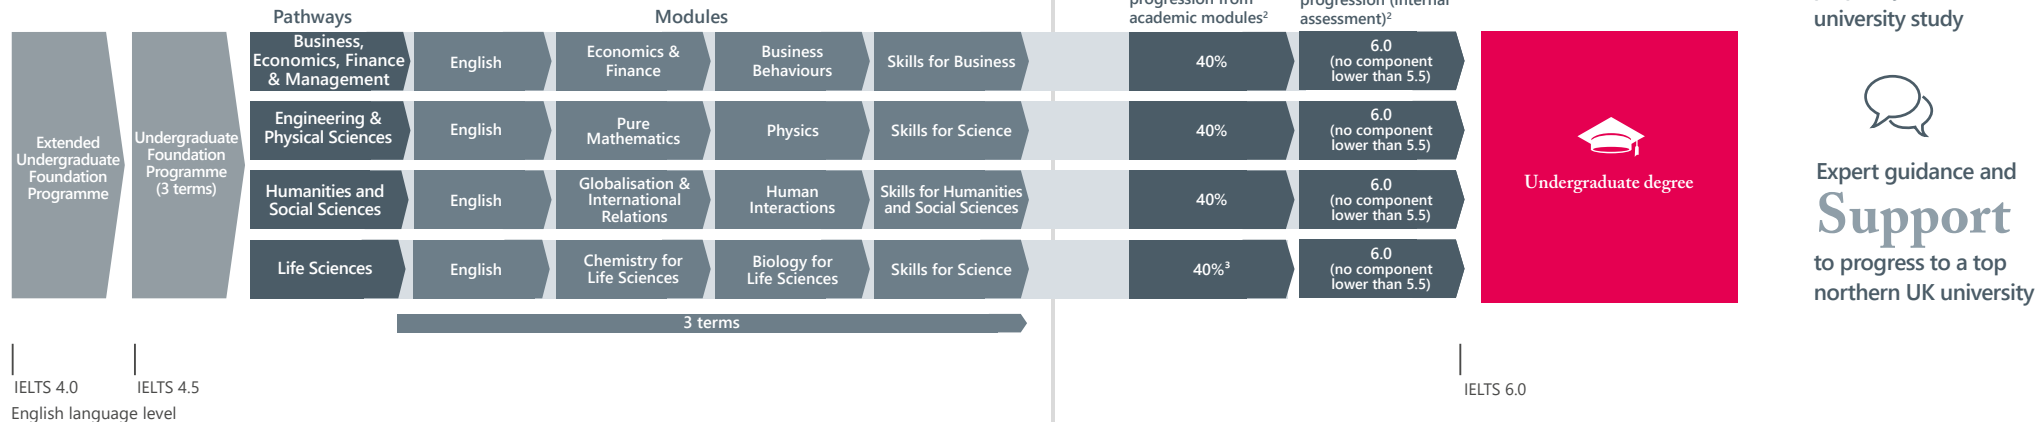

Medicine Interviews: All students regardless of progression partner will need to undertake and pass an interview to be considered for progression.

This programme gives progression¹ to Year 1 of a wide range of undergraduate degrees.

Degree progression route

We will teach you **Academic skills** relevant to your subject area to fully prepare you for university study

Expert guidance and **Support** to progress to a top northern UK university

Entry criteria

English level:

From **4.5 IELTS**

or equivalent, with no single component less than 4.0, for 3-term UFP. An extended programme is available if you do not have the required English language level. This programme lasts 4 terms and includes an English language module (ELPP) followed by 3 terms of UFP.

Academic requirements:

11-12 years

Successful completion of 11-12 years of schooling with good grades. Please visit www.oncampus.global for academic entry requirements.

Guideline minimum age: 17+

Must be 17 at the start of the intended degree programme.

- ¹ Subject to achieving the pass mark for progression detailed above.
- ² Some programmes of study at UCLan have additional entry criteria. Please see pages 10-13 or visit www.oncampus.global for more information.
- ³ Standard Life Sciences progression pass rate. For a full list of progression degrees and entry criteria, including the Life Sciences route to the 6-Year MBBS and MPharm, please see pages 10-13.

Note: Modules are subject to availability

"My **ONCAMPUS** Biology teacher was great. She studied Biomedical Science herself so has helped me gain a better understanding of how Biology is related to Biomedical Science and Research. I really enjoyed learning the subject in detail and I now have the practical skills ready to progress to my degree."

Salma | Jordanian | Studying UFP Life Sciences | Applying for BSc Biomedical Science

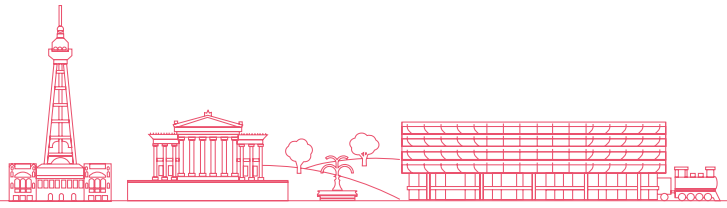

Dates	Number of terms	Business and Humanities tuition fee	Engineering and Life Sciences tuition fee	Progressing to undergraduate degree starting in
23 September 2024 - 08 June 2025	3	£16,980	£18,480	September 2025

Accommodation

in UK North

ONCAMPUS aims to make sure that finding a place to live while you study with us is quick and easy. It is very important that you have a place to stay when you arrive in the UK, and while you can choose to organise your own accommodation, we strongly recommend that all students book a room through our free service.

We have fantastic residences available for you to book in Preston, offering good value for money. The details below indicate the types of facilities available and the price range you can expect from our accommodation options.

Gym

+ Facilities Include:

- Student lounge
- Games room
- Communal study spaces
- Laundry facilities
- Reception area staffed 24 hours a day
- Bike storage
- Welfare support 24 hours a day
- All utility bills included

Next Steps

1 Submit your application by one of the following methods:

- Online: www.oncampus.global
- Email: admissions@oncampus.global

Please remember to include all relevant documentation:

- Academic transcripts (with official translations, if original is not in English)
- Evidence of English Language level
- Copy of passport
- Explanation of any study gaps
- Copies of any previous/current UK visas

Additional documentation may be required depending on the course. Our Admissions team will contact you should this be the case.

2 Our Central Admissions team will review your application.

We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met.

If we think the course is not right for you, we will suggest an alternative.

If we have any queries about your application, we will contact you for further information.

3 To accept your place on the course, you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. We can only confirm your place once all conditions have been met, although once the deposit is paid, we will hold a place for you.

Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. These are the requirements of the government and not of ONCAMPUS. Your assistance in meeting these requirements is much appreciated.

4 Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS) or a Certificate of Enrolment (CoE) depending on the type of visa you require. If you need to obtain a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be issued up to six months before the start of the course (if you apply from outside the UK) or up to three months (if you are eligible to apply from within the UK).

5 You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course.

If you do not have a valid visa for studies in the UK, you will not be able to join the course. You are required to pay at least the 1st term's tuition fees before you begin your studies at ONCAMPUS. You should arrive on the weekend before the start date of the course. Please check your CAS or CoE for further details.

6 We will send you pre-arrival information.

You will need to apply online for your accommodation. Please contact liveinuclan@oncampus.global.

Manchester is the closest international airport to ONCAMPUS UK North. There are various routes you can take to transfer to the accommodation from the airport – by train, bus or taxi. Visit our website for further information.
