

THE OnCampus CHARTER

The OnCampus community relies on a **partnership between students and staff**.

Our Charter has been developed by students and staff members. It sets out our mutual responsibilities, shared expectations, aspirations of each other and our commitment to provide an excellent education and experience for all.

The Charter does not distinguish between students and staff; it is a point of reference for the whole OnCampus community.

ENGAGEMENT

We expect all members of our community to **make the very most of all opportunities** available to them

RESPECT

We expect all members of our community to be **respectful**

SUPPORT

We expect all members of our community to be **supportive** of one another

ACCOUNTABILITY

We expect all members of our community to recognise their **accountability towards themselves and others**
