

Degrees available for OnCampus students at London South Bank University and specific progression requirements

Business, Economics, Finance and Management Pathway

Progression degree	Progression requirements to LSBU	Additional progression requirements	English language progression requirements
BA Accounting and Finance (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BA Business Management (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BA Business Management (Accounting) (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BA Business Management (Finance) (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BA Business Management (Marketing) (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Economics (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Economics (Finance) (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Economics (Business Strategy) (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Marketing with Advertising and Digital Communications (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Marketing with Digital (iCAS and IY1 option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5

Engineering and Sciences Pathway

Progression degree	Progression requirements to LSBU	Additional progression requirements	English language progression requirements
BA Architecture (iCAS option)	40% in academic modules	A Level BBC or Equivalent level 3 qualifications worth 128 UCAS points (must include an art or design subject).	IELTS 6.0 equivalent – no component less than 5.5
BEng Building Services Engineering (iCAS option)	40% in academic modules	<ul style="list-style-type: none"> • Mathematics – B (40 UCAS points) • Physics – B (40 UCAS points) • Chemistry – D (24 UCAS points) • Skills for Science – D (24 UCAS points) <p>If Mathematics is higher enough to sum 120 UCAS points or more, we can accept a lower punctuation in Physics.</p>	IELTS 6.0 equivalent – no component less than 5.5
BEng Civil Engineering (iCAS option)	40% in academic modules	<ul style="list-style-type: none"> • Mathematics – B (40 UCAS points) • Physics – B (40 UCAS points) • Chemistry – D (24 UCAS points) • Skills for Science – D (24 UCAS points) <p>If Mathematics is higher enough to sum 120 UCAS points or more, we can accept a lower punctuation in Physics.</p>	IELTS 6.0 equivalent – no component less than 5.5
BSc Architectural Technology (iCAS option)	40% in academic modules		IELTS 6.0 equivalent – no component less than 5.5
BSc Building Surveying (iCAS option)	40% in academic modules		IELTS 6.0 equivalent – no component less than 5.5
BSc Commercial Management (Quantity Surveying) (iCAS option)	40% in academic modules		IELTS 6.0 equivalent – no component less than 5.5
BSc Construction Management (iCAS option)	40% in academic modules		IELTS 6.0 equivalent – no component less than 5.5
BSc Quantity Surveying (iCAS option)	40% in academic modules		IELTS 6.0 equivalent – no component less than 5.5
BEng Chemical Engineering (iCAS option)	40% in academic modules		IELTS 6.0 equivalent – no component less than 5.5

BEng Electronic and Computer Systems Engineering (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BEng Electrical and Electronic Engineering (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BEng Mechanical Engineering (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Computer Science (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Engineering Product Design (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Information Technology (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Product Design (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
MEng Mechanical Engineering (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Forensic Science (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Biomedical Science (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Psychology (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Psychology - Clinical (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Psychology - Forensic Psychology (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Psychology - Child Development (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Psychological Counselling (iCAS option)	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5

Engineering and Sciences Pathway

Progression degree	Progression requirements to LSBU	Additional progression requirements	English language progression requirements
BSc Criminology	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Criminology with Psychology	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Law	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BA Politics and International Relations	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BSc Sociology	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
BA Urban and Environmental Planning	40% in academic modules		IELTS 6.0 equivalent - no component less than 5.5
