

University of Southampton specific progression requirements for undergraduate degrees available for OnCampus students.

Business, Finance, Economics and Management Pathway

Progression degree	Award	Progression requirements to the University of Southampton	Additional progression requirements	English language progression requirements
Accounting and Finance	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Accounting and Finance with Placement	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Business Analytics	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Business Analytics with Placement	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Business Entrepreneurship	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Business Entrepreneurship with Placement	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Business Management	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Business Management with Placement	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics	BSc	60% overall including 70% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics	MEcon	70% overall including 70% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics and Accounting	BSc	60% overall including 70% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)

Economics and Actuarial Science	BSc	60% overall including 70% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics and Business Management	BSc	60% overall including 70% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics and Finance	BSc	60% overall including 70% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics and Philosophy	BA	60% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics and Philosophy with Year Abroad	BA	60% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Economics with Data Science	BSc	60% overall including 70% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Finance and Financial Technology	BSc	60% overall including 70% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Finance and Financial Technology with placement	BSc	60% overall including 70% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
International Business	BSc	70% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
International Business with Placement Year	BSc	70% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Marketing	BSc	60% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Marketing with Placement	BSc	60% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Modern Languages (French) and Business Management	BSc	60% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Modern Languages (German) and Business Management	BSc	60% overall including 60% in Advanced Mathematics	Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)

Modern Languages (Spanish) and Business Management	BSc	60% overall including 60% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
Politics and Economics	BSc	60% overall including 70% in Advanced Mathematics		Minimum of 65% overall (with minimum of 60% in Reading, Writing, Listening and Speaking)
